

# Katalin Dér Pharm.D.

Ph.D.student

## Personal information

Date of birth: 23.05.1991

Place of birth: Budapest

## Contact information

Address: Hungary, 6720, Szeged, Eötvös utca 6.

E-mail: [der.katalin@pharm.u-szeged.hu](mailto:der.katalin@pharm.u-szeged.hu)

Website: <https://www.linkedin.com/pub/katalin-d%C3%A9r-pharmd/92/438/aaa/en>

## Education:

2014-: Ph.D. student (University of Szeged, Graduate School of Pharmaceutical Sciences, Department of Pharmaceutical Technology) „Development of nanosized drug delivery systems for targeted drug release”

2011-2014: Graduate research  
University of Szeged, Faculty of Pharmacy, Department of Pharmaceutical Technology, Nanotechnology Research Team  
Supervisor: Dr. Péter Sipos PhD

2009-2014: Doctor of Pharmacy (Pharm.D.) graduate programme at the University of Szeged, Faculty of Pharmacy

**Graduate thesis:** Targeted drug delivery by nanocarriers

**Honors and awards:** Annual Student’s Scholarly Circle Conference 2014.: I. place (title of presentation: „Preformulation and *in vivo/in vitro* studies of a targeted drug delivery system”)

## Personal skills:

Languages: Hungarian (mother tongue)  
English (C2)  
German (B2)

Scientific: preformulation analytical techniques (particle size measurement)  
vibrational analytical techniques (IR, Raman)  
thermoanalytical techniques (DSC)
